NOTICE
TO
MERCHANTS, TRADERS and Others.

ALL persons and bodies, corporate or politic, in Dorchester county, who are or shall be in the occupation of any house or place for any purpose, for which a license is made necessary by the laws of Maryland, are hereby warned to obtain a License or renew the same on or before the

First day of May, ensuing,

under the penalties prescribed by said laws for the infraction thereof.

Those interested are notified of the following requirements of the License Laws passed by the General Assembly of Maryland.

The rates required for Traders' Licenses are as follows:

If the amount of goods on hand at the principal season of sale or expected to be kept on hand, does not exceed

$1000	the price of license is	$12 35—if over

40000 " "		150 35	"

The applicant must either make oath, as heretofore, before the Clerk of the Circuit Court of the county where he is engaged in business of the amount of goods kept on hand at the principal season of sale, or the oath may be administered by a Justice of the Peace when the person wanting the License applies through an agent. If the latter course be adopted, the following form will be deemed a sufficient compliance with the act:

Dorchester county, to wit:—

On this ——— day of ———, 1861, before the subscriber, a Justice of the Peace of the State of Maryland, in and for said county, personally appeared ——— and declared that he intends to apply for a traders' license under the laws of the State to the Clerk of the Circuit Court for Dorchester county, and made oath that the amount of stock of goods generally kept on hand by him *or by the concern in which he is engaged*, in case it is a partnership) at the principal season of sale (or if the applicant has not precisely engaged in such trade, *that the amount of the stock of goods he expects to keep*, &c.,) does not (or will not) exceed $———

Sworn before———

If the oath be administered by a Justice of the Peace out of the county in which the application is made there must be attached the certificate of the clerk of the Circuit Court of the county in which the Justice resides.

The rates of license of females vending millinery, &c., whose stock at any season of the year does not or will not exceed $500, is $6 35 If their stock does or shall exceed $500, the rates are the same as those of Traders' License, and the same form of application must be observed.

The Laws require all persons proposing to sell spirituous or fermented liquors, or lager beer in quantities not less than a pint, to apply to the Clerk of the Circuit Court, in person, or in making the oath before a Magistrate as above stating that he desires a License to sell spirituous or fermented liquors, as the case may be, and the amount of stock in trade in same manner as those applying for Traders' License. If the amount of stock does not or shall not exceed

$500	the rate is	18 10—if over	
500 and not over	$1000	35 10	"
1000 " "	2000	50 10	"
2000 " "	4000	75 10	"
4000 " "	6000	100 00	"

Persons applying for Ordinary Licenses in which spirituous or fermented liquors or lager beer is sold in quantities less than a pint, must make application to the Clerk of Circuit Court in the county in which they reside, and must also be recommended by two respectible freeholders of the immediate vicinity of the applicant—which may be made in the following form:

To the Clerk of the Circuit Court for Dorchester County:

We the undersigned, freeholders of Dorchester county, living in the immediate vicinity of ———, who is about to apply to you for a license to keep an ordinary ——— in said county, do hereby recommend him as a suitable person to obtain the license.

———
———

May ——, 1861. ———

The applicant must then make oath to the Clerk to the following effect, that he has *bona fide*, and without intending to evade the requirments and the Acts of Assembly of this State, regulating the issues of licenses to ordinary keepers and traders, provided and expects to maintain six good beds with sufficient clothing therefor, and three rooms more than sufficient for the private uses of said applicant, and stabling and provender for five horses at least.

In addition he shall also make oath to the Clerk of the rate of rent or annual value of the house or place at or in which the business is intended to be on. If said rent does not exceed

$100	the rate is	$25 60—if over	
100 and not over	$200	40 60	"
200 " "	300	50 60	"
300 " "	400	60 60	"
400 " "	500	75 60	"

Any person proposing to keep an oyster house, &c., or any place other than an ordinary for the sale of spirituous or fermented liquors or lager beer in quantities less than a pint, shall apply to the Clerk of the Circuit Court for the county where he resides, and must be recommended by two respectable freeholders of his immediate vicinity, as a suitable person to keep such a house.

The License in all cases, by the late Act of the General Assembly, is $50.

The oath required to be made by applicants for Traders License, and License to sell spirituous liquor in quantities not less than a pint, may be made before a Justice of the Peace and forwarded to and filed with the Clerk of the Circuit Court to whom all applicants for License must be made.

CONSUMPTION, BRONCHITIS,

MISSIONARY;
WHILE TRAVELING IN ARABIA.

ALL who are suffering from Consumption should use the MAKORA ARABICA, discovered by a missionary in Arabia.

It cures Consumption.
It cures Bronchitis.
It cures Sore Throat, Caughs and Colds.
It cures Asthma, Scrofula, and impurities of the Blood.

This unequalled remedy is now for the first time introduced to the public.

It was providentially discovered by a missionary while traveling in Arabia. He was cured of Consumption by its use after his case was pronounced hopeless by learned physicians in Europe.

He has forwarded to us in writing, a full account of his own extraordinary cure, and of a number of other cures which have come under his observation, and also a full account of the medicine.

At his request, and impelled by a desire to extend a knowledge of this remedy to the public, we have had his communication printed in pamphlet form for free distribution. Its interest is enhanced by an account which he gives of some of the scenes of the Syrian massacres, which he obtained from those who were sufferers in that awful tragedy.

This pamphlet may be obtained at our office, or it will be sent free by mail to all who apply for it.

We import the MAKORA ARABICA direct from Smyrna, through the house of Cleon & Gylippus, and we have always on hand a full supply put up in bottles ready for use with full directions

Prof. CHAS. DE GRATH'S Electric Oil—The Friend of Man.

THERE is a perfect innocent, soothing and gently stimulating Medicine, that may be justly called "THE FRIEND OF MAN."—It was discovered by Prof. Chas. De Grath while travelling in South America—lately been brought out by urgent solicitations—and has cured more cases of Rheumatism, Gout, Neuralgia, Lumbago, Sciatica, Spinal and Bronchial complaints, Tic Doloreux, Headache, Cramps, Croup, Piles, Felons, Sprains and Bruises, Cuts and Wounds, Swelled Glands, Stiff Joints, Scrofula, Erysipelas, Sore Nipples, Swelled Breast, Womb Disorders, Salt Rheum, Canker in the mouth and stomach, Palpitation, Eruptions, Caked Breast, Quinsy, Sore Throat, Palsy, Pleurisy, Ulcers, Lock Jaw, Heart Burn, Tooth and Ear-ache, Nervousness, Costiveness, Burns, Sore Gums of teething infants, &c., than all and every other medicine in Philadelphia.

☞It will be seen this great remedy does not claim to cure everything, but only a CERTAIN CLASS of complaints.

☞It is an external remedy, but sometimes is taken internally (by the Doctor's advice) It stimulates to action the absorbents and secretions, drives pains of all kinds from the body, and reduces all swellings, in an incredible short time, as all know who have used Prof. De Grath's "ELECTRIC OIL."

CERTIFICATE OF JOHN WILLIAMSON

I, John Williamson, Attorney at Law, Huntingdon, Pa., do certify that Prof. De Grath's Electric Oil is infallible for rheumatic pains. My wife who for some time past has been greatly afflicted and unable to walk has been restored by the application of this Oil almost instantaneously and I can cheerfully recommend it to others.

JOHN WILLIAMSON.

STIFF NECK.

[Editor of Law Magazine cured instantaneously.]
GRAND HOUSE, Philadelphia.

Prof. Chas. DeGrath:—I freely give it as my opinion, that your Electric Oil is among the most wonderful remedy of modern times. At the earnest request of a lady, who alleged that she had been relieved of a most painful affection by its use, I was induced to try a bottle, though at the time of purchasing, I fully believed it to be a quack medicine and a catch-penny humbug. But a trial convinces me that it possesses a magic power, and its use will prove a blessing to suffering humanity.

I recently took a cold from sleeping in damp sheets, and my neck became so much swollen and painful, that I could not turn my head After using, without success, everything prescribed by my physician, I last evening tried your Electric Oil. This morning I am well, the relief having been as complete as it was instantaneous Yours, very truly,

CAUTION.

As certain unprincipled persons are attempting to palm off on the unsuspecting public, imitations of my PREPARED GLUE, I would caution all persons to examine before purchasing, and see that the full name,

HENRY R. COSTAR.—All the summer I have been troubled with Roaches and Mice. I was actually ashamed of the house for the Roaches were everywhere. I purchased a box of your Exterminator and tried it, and in one week there was not a Roach or Mouse in the house.

JOHN B. GIVENS, No. 94 Elm Street.

HOUSEKEEPERS—troubled with vermin, need be so no longer, if they use "COSTAR'S" Exterminators. We have used it to our satisfaction, and if a box cost $5, we would have it. We had tried poisons, but they effected nothing; but COSTAR'S article knocks the breath out of Rats, Mice, and Bedbugs, quicker than we can write it. It is in great demand all over the country.—*Medionv (O.) Gazette.*

MORE GRAIN and provisions are destroyed annually in Grant County by vermin, than would pay for tons of this Rat and Insect Killer.—*Lancaster, (Wis.) Herald.*

HENRY R. COSTAR—Your Exterminator is received, used, and pronounced a decided success. We used a box of it, and the way the Rats and Mice around our premises "raised Ned" that night was a caution to sleepers. Since then not a Rat or Mouse has been heard in kitchen or cellar.—*Magregor (Iow.) Times.*

I HAVE BEEN SELLING—Your Exterminator for the last year, and have found it a *sure shot* every time. I have not known it to fail in a single instance."

GEORGE ROSE, Druggist, Cardington, O.

WE ARE SELLING—Your preparations rapidly. Wherever they have been used, Rats, Mice, Roaches, and Vermin disappear immediately.

MARK THESE FACTS!
The Testimony of the Whole World.
Holloway's Ointment.

BAD LEGS, BAD BREASTS, SORES AND ULCERS.

ALL description of sores are remediable by the proper and diligent use of this inestimable preparation. To attempt to cure bad legs by plastering the edges of the wound together is a folly; for should the skin unite, a boggy diseased condition remains underneath to break out with tenfold fury in a few days. The only rational and succesful treatment, as indicated by nature, is to reduce the inflammation in and about the wound and to soothe the neighboring parts by rubbing in plenty of the Ointment as salt is forced into meat.

DIPTHERIA, ULCERATED SORE THROAT, AND SCARLET AND OTHER FEVERS.

Any of the above diseases may be cured by well rubbing the Ointment three times a day into the chest, throat and neck of the patient; it will soon penetrate, and give immediate relief. Medicine taken by the mouth must operate upon the whole system ere its influence can be felt in any local part, whereas the Ointment will do its work at once. Whoever tries the unguent in the above manner for the diseases named, or any similar disorders affecting the chest and throat, will find themselves relieved as by a charm.

PILES, FISTULAS, STRICTURES.

The above class of complaints will be removed by nightly fomenting the parts with warm water, and then by most effectually rubbing in the Ointment. Persons suffering from these direful complaints should lose not a moment in arresting their progress. It should be understood that it is not merely to smear the Ointment on the affected parts, but it must be well rubbed in for some considerable time two or three times a day, that it may be taken into the system, whence it will remove any hidden sore or wound as effectually as though palpable to the eye. Then again bread and water poultices, after the rubbing in of the Ointment, will do great service. This is the only sure treatment for females, cases of cancer in the stomach, or where there may be a general bearing down.

INDISCRETIONS OF YOUTH—SORES AND ULCERS.

Blotches, as also swellings, can, with certainty, be radically cured if the Ointment be used freely, and the Pills be taken night and morning as recommended in the printed instructions. When treated in any other way they only dry up in one place to break out in another; whereas this Ointment will remove the humour from the system and leave the patient a vigorous and healthy. It will require time with the use of the Pills to ensure a lasting cure.

DROPSICAL SWELLINGS, PARALYSIS AND STIFF JOINTS.

Although the above complaints differ widely in their origin and nature, yet they all require local treatment. Many of the worst cases of such diseases, will yield in a comparatively short space of time when this Ointment is diligently rubbed into the parts affected, even after every other means have failed. In all serious maladies the Pills should be taken according to the printed directions accompanying each box.

Both the Ointment and Pills should be used in the following cases:

Bad Legs,	Gout,
Bad Breasts,	Glandular Swellings,
Burns,	Lumbago,
Bunions,	Piles,
Bite of Mosquitoes and Sand Flees,	Rheumatism,
Coco-bay,	Scalds,
Chiego foot,	Sore Nipples,
Chilblains,	Sore Throats,
Chapped Hands,	Skin Diseases,
Corns, (Soft)	Scurvy,
Cancers,	Sore Heads,
Contracted and Stiff Joints,	Tumors,
	Ulcers,
	Wounds,
Elephantiasis,	Yaws.
Fistulas,
