1769 December James Chester Letter to Wm Nicholson

SIDE ONE

Philad.a 12.th Decem. 1769.

Dear Sir,

I received your favour of the 17.th past, by Mr. Nicholson, and that of the 8.th Inst. to day. I would have answered the first before now, by the Last Post, but that I have been looking for Mr. Nicholson daily, and intended it by him —

I have been much hurried, as we generally are here at this time of the year, and likewise indisposed, ever since I had yours with the Account — for that I really have not had time to look into it. — But will soon —

And my Dear Sir, I can't possibly pay

Alex.r Chesnut
Decr 12.th 1769
