Bristol 6th Augt. 1770

Dear Jemmy

I have recevd your Sundry Letters of 28th Febry, 7th & 9th April, 23d & 31st May, & Remittances inclosd in what came very seasonably. I observe you say in your of 7th April that S & Co had transmitted me Bills to ye amt of 3 or £500. Their Lr of 19th March did not get to hand 'till ye 7th Ult., when they sent me Bills only for £195. 0. 9 Stg on Acct of my old Debts, to S R & Co £123. 16. 10 & £12. 7. 3 for Convict Ye Randolphs 1st Voyc; so that in fact you find they have not yet remitted a shilling since ye Isabella's Cargo in 1768 on Acct of ye Goods shipd them by Hert & Randolph in 1768 by W S & Co, this as I mentiond to you before is extreamly hard & ungenerous in them, as they should certainly discharge their old Balt: first, I have wrote you already to this purpose & hope they will do it by ye Isabella & Eliz.th, if not you must insist on their closing that Acct first, & that immediately: You say also, "They are now loading their Brig for ye Ut ward, from whence I am to have ye proceeds of her Cargo, but in their Letter of 22nd May by Capt. Andrew they do not make ye least mention of it, which surprizes me much, I would hope they have not deceivd us, but it is certainly very suspicious, not to say a syllable about it, She I find by ye papers is arrivd, as also their Ship at Lisbon,
