1770 SEPT 13 JOHN CAMPBELL TO CAPT. WILLIAM MCGACHEN

SIDE ONE

John Campbell
Nottingham

Dear Sir

Nottingham 13th Sept.r 1770

Receive inclosd my Bill of this date on Mess.rs James Gordon &c in your favour for £154 - 8 - 7. which is the amount of the Pig Iron, & freight at 50 ⅌ Cent Exchange, which I settle it at, as I believe Bills want no higher when you paid the money for the freight. — It was not nessary to make any apology for calling for the Bills now — indeed I expected you would have wanted them soonr, & am obligd to you for your indulgence.

I believe I shall not want any more Iron this year till Winter at least — my Brother being at Annapolis & many the Iron quarter than me, has provided for our Fall Ships. — I recommend him to you; but by his not applying to you, I suppose he has got it more convenient or on better terms, of some one else. —

Dear Sir

Your Obd. Servant
John Campbell
