Chester Town 31st July 1771

I am obliged by yours respecting the Servants. They are no doubt all sold ere now. I might perhaps be mistaken in the Name; should they not be all gone you may find her out by her having been in before and serving in Col.s Birds Family in Virginia & if she is yet to be got you'll please be so kind as to send her over in the Boat that brings this. Should you not choose to accept my Offer respecting the Rob.s you'll much oblige me by endeavouring to sell some for the Season thro and please write me if your Leisure will permit by Return of this Boat how the Market is likely to govern & whether they bring in fast to Baltimore. Excuse this Trouble and when I can render you any Service here freely command Dear Sir
