Sir

upon comparing your Acct. with the Books of Brown Perkins & Buchanan I perceive their is a Difference from which I conceive that some of the charges contained in theirs must have been omitted in your Books to be applied to their Credit I paid you 36£14s that being the Balance that appeared to be due you when we settled in Baltimore. & by the State of our Books there is a Balance in Favour of us of 4£ - you'll please to examine the Acct. that we may reconcile the Difference with much Respect I always am

Yr. Frnd. & Humble Servt.
