1772 JAN. 3 J. MURRAY TO JAMES CHALLONS

SIDE ONE

Dear Sir. Annapl. 7th Jany. 1772

I expected ere this to have discharged the Bal.e due from my Father's Estate to Messrs. Rogers & Co. but have been much disappointed in my Expectations from Mr. Calder, however he gives me the strongest Assurances that I shall have a considerable Sum in the Summer & you may depend on having the Bal. discharged as soon as I have it in my Power.

I think myself particularly obliged by your Politeness in indulging me with so long a Time for Payment & am &c.

Most Ob.t Serv.t
