J. J.

I shall be glad if you could sell for me 2.500 Bushells Wheat which is upon Wye & is exceeding good: The whole might go at 6/9 if nothing better is going Taken from the Landing, for 800 of it is my own which I want to sell & would rather take 6/6 than keep it all winter. You will do what you can for me & for this trouble you are obliged to the Hypocritical Face of a Damned Sanctified Son of a Bitch, who is a Knave both from Principle & Interest James Black wheat buyer Damn him

Adieu

Yours Respectfully
