DR. J. B. MARCHISI'S
Celebrated Catholicon,
For the Relief and Cure of
SUFFERING FEMALES.

It stands preeminent for its curative powers in all the diseases for which it is recommended, called FEMALE COMPLAINTS. Of these are PROLAPUS UTERI, or Falling of the Womb; FLUOR ALBUS, or Whites; CHRONIC INFLAMMATION AND ULCERATION OF THE WOMB; INCIDENTAL HEMORRHAGE, or Flooding; PAINFUL, SUPPRESSED AND IRREGULAR MENSTRUATION, &c., with all their accompanying evils, (Cancer excepted,) no matter how severe or how long standing.

The catholicon far surpassed other remedies, in being more certain, less expensive, and leaving the system in a better condition. Let all interested in such a remedy called and obtain a pamphlet (free) containing ample proof, from highly respectable sources, of the happy results of its use together with letters from first-class experienced physicians, who have used it in their practice, and speak from their own observations.

GLENN SPRINGS, Jan. 9th, 1853.

Messrs. BEACH & BROWNSON—SIRS: I send for another bottle of your "Marchisi's Uterine Catholicon." My wife has been afflicted for eleven years, and a variety of means has been restored for relief, but none was obtained until I received this medicine from you. Its influence seems almost magical: there was a manifest improvement from the day it was taken.

As there are a great many females in our country laboring under the affliction for which your medicine proposes a remedy, I feel it a duty to recommend it to all such.

MEDICAL HOUSE,
No. 16, South Frederick Street,

BALTIMORE, MD.,

ESTABLISHED IN ORDER TO AFFORD THE AFFLICTED SOUND AND SCIENTIFIC MEDICAL AID, AND FOR THE SUPPRESSION OF QUACKERY.

DR. J. B. SMITH has for many years devoted his whole attention to the treatment of private Complaints, in all their varied and complicated forms: His great success in those long standing and difficult cases, such as were formerly considered incurable, is sufficient to commend him to the public as worthy of the extensive patronage he has received. Within the last eight years Dr. S. has treated more than 29,200 cases of Private Complaints, in their different forms and stages; a practice which no doubt exceeds that of all the other physicians now advertising in Baltimore and not a single case is known where his directions were strictly followed, and medicines taken a reasonable time, without effecting a radical and permanent cure; therefore persons afflicted with diseases of the above nature, "no matter how difficult or long standing the case may be," would do well to call on DR. SMITH, at his office, No. 16, S. FREDERICK STREET, and if not effectually relieved no remuneration will be required for his services. His medicines are free from Mercury and all mineral poisons, put up in a neat and compact form, and may be taken in a public or private house, or while travelling, without exposure or hindrance from business; and except in cases of violent inflamation, no change of diet is necessary.

STRICTURES. Dr. Smith has discovered a new method by which he can cure the worst form of stricture, and that without pain or inconvenience to the patient. Irritation of the uretha, of prostrate gland, or neck of the bladder, is sometimes mistaken for stricture by general practitioners or charlatans.

YOUNG MEN and others afflicted with Seminal Debility, whether originating from a Certain Destructive Habit, or from any other cause, with the train of bodily and mental evils which follow, when neglected, should make an early application, thereby avoiding much trouble and suffering, as well as expense. By his improved method of treatment, Dr. S. can safely guarantee a speedy and perfect cure in all cases of this complaint.

TO FEMALES. All diseases peculiar to Females, (such as Suppression, Irregularities, &c.) speedily and effectually removed. The efficacy of his remedies, for the cure of the above affections, have been well tested in an extensive practice for the last twelve years.

DR. SMITH'S "PREVENTIVES," for Married Ladies, whose health will not admit, or who have no desire to increase their family, may be obtained as above. Price $5.

PERSONS AT A DISTANCE may consult Dr. S. by letter, post paid, describing case, and have medicine securely put up and forwarded to any part of the United States, always accompanied with full and explicit directions for use. Communications considered strictly confidential. Office arranged with separate apartments, so that patients never see any one but the doctor himself. Attendance daily, from 8 in the morning till 9 at night.

N. B. Persons afflicted with any of the above complaints will do well to avoid the various NOSTRUMS and SPECIFICS advertised by Apothecaries and Druggists, as a certain cure for any and every disease. They are put up to sell but not to cure, and frequently do much more harm than good, therefore avoid them. A word to the wise is sufficient.
