MEXICAN GUANO

OF THE BEST QUALITY,

Imported and for sale in lots to suit purchasers at lowest market prices, by

CHARLES R. PEARCE,
66 Buchanan's wharf, Baltimore,

THE following remarks in relation to this manure are communicated by Dr. David Stewart, chemist of this city.

MEXICAN GUANO OR FISH BONE MANURE—PECULIARITIES OF THIS MANURE.

1. It is *not* volatilized or injured by the sun, and it is *not* washed out of the soil by the rains *in less than* 30 *years.*

2. It can be applied to the corn crop at any time *before the last cultivation in July.*

3. It supplies the element that is removed from the soil by Indian corn.

4. It will double the crop of corn, if phosphoric acid is deficient in the soil.

5. It is cheaper, more certain and more permanent than Peruvian Guano.

6. It contains more Phosphoric acid than "Bones" in the proportion that the bones of the fish are richer in this element than other bones.

7. *It contains no sand*, as the birds that feed on fish have a simple stomach and do not use gravel, and the islands upon which it is deposited are *pure* Lime or Coral.

HAMPTON'S TINCTURE

THE cure for *Chills & Fevers, Cough, Bronchetis—Asthma, Pain* in the breast, Dyspepsia Rheumatism—as a *female medicine we think it has no equal*; Every where the same success attends its use:

In proof of what we say above we refer you to *Hampton's Vegetable Tincture* and its effects.

The wife of T. W. Yeakle. Grocer, 76, Pearl street, cured of Rheumatism of 8 years' standing; all other remedies failed.

Wm. M. Oldham, (late of the Custom House) dwelling 128 Pine street, of Dyspepsia, great debility, permanently cured.

W. A. Shæffer, Esq., one of the oldest magistrates and most highly respectable citizens cured of great weakness and restored to robust health.

Jarret Plummer, 153 E. Baltimore st., suffered intensely six years with hip disease and mecurial rheumatism, cured after all other remedies failed.

Space will not permit to name hundreds of others, as Geo. W. Goodrich, Capt. Thos. Canot, Robt. Gault. Jas. Smyth, cured of Rheumatism.

John Pervail, S. A. Griffin John Luke, Rev. V. Eskridge, U. S. Navy, and thousands of others, cured of Dyspepsia, Scrofula, Cough, Liver Complaints, Bronchitis, St. Vitus' Dance &c. We refer to our own citizens. Call on them.

Dr. Hampton, the author of Hampton's Vegetable Tincture, is in his 80th year, in good health, so that it will be seen it is not an article got up to impose on the public.

Delicate females and children will find this a great blessing. It has restored thousands to health.

TREMBLING, FLUTTERING, PALPITATION OF THE HEART.—*Cure of a Dreadful Ulcer!*—Read the following Certificate from a Lady, endorsed by Postmaster E. P. Cooper:

CAPRON BRIDGE,
Hampshire county, Va., March 1, 1854.

Mr. E. P. Cooper—Dear Sir: Agreeable to your request and my own desire to benefit the afflicted, I hereby certify the great relief I received from the use of Hampton's Vegetable Tincture.

I was taken with a violent palpitation, or rather fluttering and trembling of the heart, which continued several days, it seemed as though my heart had almost forgotten its office. The family became alarmed and procured a bottle of this valable medicine, and before I had taken near one bottle of this Tincture of Hamptons I was entirely relieved.

This is the third instance of relief in my family from the use of this valuable medicine.—Two or three years ago I was laid up with Ulceration of the Ankle, from effect of what is usually called milk leg. I had lost all taste and appetite and the sore, which was some four inches up and down, and half way around my ankle, rejected every effort to heal it, until I procured Hampton's Vegetable Tincture, one bottle of which restored my health, healed my ankle, and I am freer from swelling than for the last thirty years.

Again, one of my daughters was very low from severe dysentery, and when she began to sit up her feet commenced swelling, which increased every day and began to be very painful. She used a bottle of Hampton's Tincture, the pains were assuaged, the swellings subsided, and her health returned. We kept her legs bandaged with strips of woolen until her strength returned. I have been thus particular that others under similar circumstances might be induced to avail themselves of this remedy. Yours with respect,

ELIZABETH EDWARDS.

I do hereby certify that I am personally acquainted with Mrs. Edwards, and can safely recommend the above statement to be correct.

E. P. COOPER, Postmaster,
Capon Bridge, Hampshire county, Va.
