1773 MAY 2 BUFF & WELSH TO JAMES CHESTER

MS. 1944

SIDE TWO

41½ & 42 yrs. grind. & any Cargos of this article which may arrive here in all this month & part of the next will we think obtain about 45/ & wheat about 50. Truly on the hand wheat would obtain 60 or upwards: it is probable there will be a demand here for these articles ~~here~~ all the next season & also for Indian Corn; but of this & the prices they may be likely to obtain, it will be difficult to form any well grounded opinion till August, when the State of the Crops in other parts may be known, & consequently how far they may be likely to send us supplies or to stand in need of them, of all which we will in due time transmit you the best Intelligence we can acquire. & remain

Your most obed. Servts.
