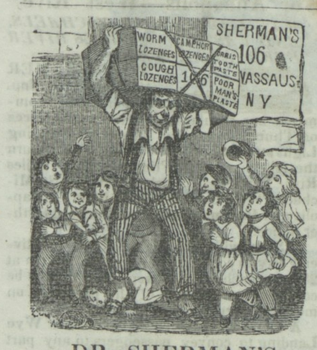
ADVERTISEMENTS.



DR. SHERMAN'S MEDICATED LOZENGES.

THIS is the most pleasant and agreeable way of taking medicine, particularly for children, as all the nauseousness is obviated and the active properties of the medicine highly concentrated. Care should be taken to keep all idea of medicine from the patient, particularly children, and to impress upon them the idea of their taktng some delicate confection. All of Dr. Sherman's articles will have a fac-simile of his name accompanying them, without which none can be genuine—observe that it is on the bill of directions, around each box of Lozenges, pot of Tooth Paste, and on the back of every Poor Man's Plaster

Shermans' Cough Lozenges

are the safest, most sure and effective remedy for *Coughs, Colds, Consumption, whooping cough, Asthma, Tightness of the lungs or chest, &c. &c.*

Jonathan Howarth, Esq., the well known temperance lecturer, took a severe cold last January, by sleeping in damp sheets, that seemed to have settled in a consumption.—He raised a great deal of bloody matter, and his cough was so incessant and harrassing that he could get no rest by day or night.—After trying various remedies without relief, he thought that death alone would relieve him from his misery. But, by the advice of a lady, he purchased a box of Sherman's Cough Lozenges; they gave him great relief, and to his surprise, allayed his cough, made him raise easy, and enabled him to sleep sound all night; three day's use of them made a new man of him, and he is recommending Sherman's Lozenges to all his acquaintances.

Sherman's Worm Lozenges

Are the only infallible *worm*-destroying medicine ever discovered. 1,500,000 BOXES have been sold and not a failure has ever been known. They destroy all kinds of worms and cannot injure where there are none.

Symptoms of Worms.—Pain in the joints or limbs, offensive breath, picking at the nose, grinding of the teeth during sleep, and at times a paleness about the lips with flushed cheeks; bleeding at the nose, a gnawing sensation at the stomach, flashes of heat over the surface of the body, slight chills or shivings, headache, drowsiness, vertigo, torpor, disturbed dreams, sudden starting in sleep with fright and screaming, sometimes a troublesome cough, feverishness, thirst pallid hue, fits, bad taste in the mouth, difficult breathing, pain in the stomach or bowels, fatigue, nausea, squeamishness, voracious appetite, leanness, bloated stomach or limbs, gripings, shooting pains in various parts of the body, a sense of something rising in the throat, itching of the anus towards night, a frequent desire to pass something from the bowels, and sometimes discharges of slime and mucus.

Dr. Galen Hunter, 108 sixth Av. knew a child that was cured of fits by these Lozenges, after three years suffering, and when nothing else would give the least relief. He has used them in his practice for the last two years in several hundred cases, with success. A boy on board of one of the Havre Packets was cured of fits by only one dose of them.

Distressing Headaches are cured in five minutes by Sherman's Camphor Lozenges, so celebrated as the only specific for sea-sickness, palpitation, lowness of spirits and the lassitude and fatigue of body or mind attending travelling, or crowded parties.

Weak Backs, Pain or weakness in any part of the body, rheumatism, and Lumbago, cured by Sherman's Poor Man's Plaster, which costs only 12½ cents and warranted better than all others.

Sherman's Orris Tooth Paste

Is recommended by the many who have used it, as the best remedy for cleaning and beautifying the Teeth that ever was known.

Together with the above the Dr. has Restorative Lozenges for dysentary, diarrehæ &c. Fever and Ague Lozenges for Fever and Ague, Recommended by *Rev. Prof. J. F. Maffit.*—Dinner Lozenges for Dyspepsia, Cathartic Lozenges to operate on the Bowels &c. &c.

Beware of Imposition—Ask for Sherman's Lozenges, and see that you get them; let no one deceive you by selling you a spurious article. Dr. Sherman's are the only *true original and genuine*..

IMPORTANT

TO ERERY INDIVIDUAL.

PAY PARTICULAR ATTENTION.

IT is a melancholy truth that we must all, sooner or later, pay the great debt of nature—that we must become tenants of the charnel-house, be the companions of thousands of the silent who are slumbering beneath the turf—yet a kind Providence has not specially limited our days on earth. We are allowed to make use of those things which Heaven has been pleased to bestow upon us for the prolongation of life, and by judicious care, and strict attention, we are enabled to extend our days.

The human system is so constituted that it is liable to disease at any moment, and unless the greatest precaution is used, it becomes a victim, and withers away like the fresh mown grass before the noon-day sun.

When sickness lays its blighting hand upon us—when fever parches the lips, and the eyes lose their lustre—when the body is racked with pain, and vitality seems about departing—then we regret not having made use of medicine, the beneficial results of which has been tested in thousands of instances.

Nature's True Remedy consists in entirely discarding all animal and mineral substances, are resorting to *the Vegetable Kingdom.* The most eminent medical men in all countries, and in every age, agree that the safest, best, and in fact the only medicine which should be used, is that which is compounded entirely of vegetable substances, because:—

☞It is of a nature best adapted to purify the blood.

It enters at once into the system, thoroughly eradicating all humors which have an injurious tendency.

It removes all undue biliary secretions, and promotes the insensible perspiration.

It renovates, restores, and strengthens the system.

STAINBURN'S *VEGETABLE EXTRACT PILLS*

possess the true medical properties of such plants, roots, and barks as have been proved by long experience to possess a curative virtue for the various maladies incident to the human frame, and nothing but the finer and purer parts are used. By the process of the newly invented machinery the essential qualities are alone taken in a concentrated form, thus separating them from the grosser and fibrous parts.

Strinburn's Pills will immediately attack the seat of disease, and gradually, by means of their purgative operation, most surely drive out all disease from the system.

☞Are you suffering from rheumatism—pains in your back, or in your shoulder, hip, or knee joints? The Vegetable Extract Pills are eminently adapted to alleviate your sufferings. That portion of them which has a peculiar tendency to correct the secretions will stir up and unloose this trying disease from its hold, while their aperient action will carry off the humors which occasion pain.

From Gout—severe pains in the smaller joints, or the lower extremities, attended by swelling and inflammation? This same success must immediately follow a course of the Vegetable Extract Pills, if taken according to the directions which accompany each box.

From Constitutional or Habitual Costiveness—the Extract Pills will, if taken in small and oft-repeated doses, so strengthen and encourage to action the digestive organs, and at the same time so thoroughly cleanse from all obstruction the large intestines, that this most discouraging and very fatal malady must be expelled from the system.

From an accumulation of Bile—in the stomach, producing rising in the throat, sick headache, loss of appetite, etc.? If you neglect those symptoms, and use no means to relieve your stomach, a bilious fever will surely overtake you.

From Scrofula, or King's Evil—producing running tumors on the glands of the neck or on the shoulders? The alterative and purifying principle of Sarsaparilla, so powerfully yet so minutely contained in Stainburne's Pills, will immediately attack the seat of disease, and expel it from the system.

In all cases of recent sickness—such as a cough, headache, shiverings, pains in the limbs or back, occasioned by having taken cold, or a sudden change of weather, *Stainburn's Vegetable Extract Pills* will be found to give sure and immediate ease, by relieving the various outlets of the system which the cold had shut up.

If you have pain in the stomach, attended with dysentery or relaxed bowels, occasioned by change of climate, or by eating improper and unhealthy food, the Extract Pills will carry off all cause of pain, and restore a healthy regularity.

Be wise in time—and delay not—for if you neglect proper advice and despise high medical authority, you must expect to fall a victim to your own inertness.

Families should always have Stainburn's Vegetable Extract Pills in the house, so that they can be resorted to at any moment in case of sudden sickness.

The Vegetable Extract Pills are sold at twenty-five cents per box, containing thirty Pills, by the following

Mr. Henry J. Strandberg:

Dear Sir:—My wife has been labouring under a very severe Pulmonary disease and Cough, for some time, and I have tried all the Cough Medicines I could hear of, and all proved ineffectual. In looking over the paper I saw your advertisement of a Compound Medicated Hoarhound Candy. I was induced to give it a trial; the first stick gave great relief, and we have continued to use it with entire success, and Mrs. Crouch is fast recovering. SHOUT ITS PRAISE! AND PROCLAIM IT TO THE WORLD!!!

THAT which is beneficial to the world in any shape or way, should be promulgated to the uttermost parts of the earth for public good.

Whenever an important discovery in medical science takes place, it should be spread abroad at once. Such a discovery is found in *Pease's Compound Extract of Hoorhound*, for the cure of all diseases which arise from a chilled system, and has proved itself of the utmost value to a discerning public. Formed of *twenty-five different ingredients*, each one of which is of the most valuable nature, in the cure of those primary diseases which terminate in *Consumption*.

All families are liable to have some portion of their members attacked at this season of the year, and they should be particular and have in their house *a few packages* of this valuable compound. Children are very apt to be taken with a slight cold, to cease only in *Croup or Scarlet Fever*. At such times, a few sticks given according to the directions, would stop all fear for the future, because it would then be given *in time*. This is the grand secret, and should be remembered.

THE HOARHOUND EXTRACT

has now been before the public for three years, and in that space of time, no medicine has ever equalled it in the amount of its sale or in the estimation in which it is held by the public.

Sold by J. PEASE & SON, Inventors and Proprietors, 45 Division street.

Read the following Certificate from a Clergyman at Newark.

Newark, Sept. 29, 1842

My Dear Sirs:—I have been often afflicted with great exhaustion after exhorting and fulfilling my duties and professional avocations, and never found any relief therefrom, until I met with your excellent *Hoarhound Candy*.

I have tried it on innumerable occasions, and believe it to be the best medicine compound extant, for healing and preserving the lungs from consumption in its early stages. Clergymen are more apt, from the nature of their profession, to be afflicted with hoarseness which finally turns to Bronchitis; and I certainly believe that a free use of your Candy will keep away that complaint altogether. I recommend all my brethren to keep a few packages of your candy by them, and use it after speaking, and they will at once perceive its benefit. Your friend truly,

PETER'S PILLS

THE COMPLAINTS in which Dr. Peter's Vegetable Pills are most effective, and which when administered according to direction, they can scarcely fail to cure, are as follows:—Yellow and billious fevers, fever and ague, dyspepsia, croup, liver complaint, sick headache, jaundice, asthma, dropsy, rheumatism, enlargement of the spleen, piles, cholic, female obstructions, heartburn, furred tongue, nausea, distensions of the stomach and bowels, incipient diarrhæ, flatulence, habitual costiveness, loss of appetite, blotched or sallow complexion, and in all cases of torpor of the bowels, where a cathartic or an aperient is needed. They are exceedingly mild in their operation, producing neither nausea, griping, nor debility.

Be careful to observe, that on the cover of each box (*in the tin*) is stamped "Peters' Vegetable Pills;" and also, that two small flutes or bands, raised in the tin, encircle each box, one immediately below the cover, and the other at the further end, where it forms a socket for the bottom, and holds it without solder, which is not the case with any boxes but those containing Peters' Pills, the principle on which they are made being the Proprietor's own invention, for which he has obtained a patent.

Extract of a Letter from Dr. Guerney of New Orleans, La., Oct. 9, 1842.

"I have received much assistance in my practice, especially in jaundice and yellow fever, from the use of Peters' Pills. I presume that, on an average, I prescribe a hundred boxes a month."

Dr. J. G. Smith, of Woodstock, Va., says—"They are a better Pill than I can make.' *He* recommends their use.

The Agent at Stanton, Va. says he supplies families for thirty miles round with Peters' Pills, and they are preferred to every other medicine.

Mrs. E. Ward, of New York, was troubled with dyspepsia and liver complaint for fifteen years. By using these Pills a short time she was completely cured.

Mrs. Clark was afflicted with irregularities and obstruction, attended with most distressing symptoms. She was cured by using Dr. Peters' Pills.

Hon. E. D. Davis was afflicted with rheumatism, so as to be unable to dress himself. Three boxes of these pills entirely cured him.

But why multiply testimonials? We say to all, try Dr. Peters' Vegetable Pills, and we will guarantee that afterwards you will use them in preference to all others.

Peters' Worm Lozenges

Are acknowledged by the faculty to be the most scientific and successful preparation for the destruction of worms ever offered to the public. There are several medicines advertised as specifics in such cases, but they have proved so uncertain and worthless, as to have lost all confidence with the public. Some of them are so violent in their operation, as to frequently lead to fatal results; the public therefore, is cautioned against them. These lozenges, while they will be found to be perfectly safe, will at the same time never fail, where worms are present, to destroy them.

These lozenges are entirely pleasant to the taste, and children will eat them as readily as a common Peppermint Lozenge. To parents we say, do not be without these lozenges. Attend to these suggestions as you value the lives of your children.

Wm. Renshaw, merchant, of Hudson st., had a little girl eight years old who was given up by two physicians as incurable. They did not know what ailed her. One box of Peters' Worm Lozenges restored the child to perfect health.

Mrs. Catharine Ann Briggs, Cherry street Philadelphia, has a little daughter who had been on the decline for several years. At times she would eat voraciously, and sometimes eat nothing all, and was fast wasting away. *Her* symptoms were so unusual and contradictory, that the doctors knew not what to do; but do what they would, she constantly grew worse, and reluctantly they declared she must die. At the request of a friend, the mother, at this stage, procured a box of Peters' Worm Lozenges. The first dose satisfied all that worms were the cause of all the child's sufferings, and two boxes effected a complete cure.

Mr. James Carpenter, merchant, Roosevelt street, New York, says Dr. Peters' Worm Lozenges possess more merit than the Doctor claims for them. *He* has used them in his family with success when every other medicine failed.

Peters' Cough Lozenges

Are now rapidly superceding all other preparations for the relief of Coughs, Colds, Whooping Coughs, Asthma, Catarrh, tightness of the chest, Bronchitis, and similar pulmonary affections. It is now well established, that a large proportion of cases of consumption, by which so many valuable lives are annually sacrificed, owe their origin to neglected colds and coughs, which might easily have been removed at an early period. No medicine will be found so efficacious in curing such cases as these lozenges.—They infallibly allay the cough by removing the irritation which keeps it up; while at the same time they promote expectoration, and relieve congestion.

Peters' Cough Lozenges have performed some of the most wonderful cures on record. One trial of them is more satisfactory than a column of certificates.

The Rev. George Parker has used Peters' Cough Lozenges with decided benefit. He speaks of them in the highest terms, and recommends them to all his friends.

Peters' Vegetable Shilling *STRENGTHENING PLASTER.*

This is not only the cheapest, but the best, neatest and most comfortable plaster in existence, and is prepared on a plan different altogether from any plaster now before the public.

Peters' Shilling Plaster is an easy and most effective remedy for pain in the breast, side, or stomach; weakness or pain in the chest, loins, or back; stiffness of the neck, affections of the limbs or joints, whether produced by rheumatism or other causes; habitual pain of the head or stomach; piles; colds; coughs; liver complaints; weakness of the spine; predisposition to break out in biles and pimpies, listlessness of the frame; and for general debilitation.
