SIDE ONE

Charlte Town 11th May 1773

Sir

Being about finishing my Buildings at Rock Hall and in want of some Linseed Oyl for Painting which is not to be had in this place on so good terms as with you, therefore I should take it as a particular favor if you'd procure a Barrel and send to Rock Hall by the Boat that brings this, or as soon as convenient, and you'll much oblige

Yr Hble. Serv.

James Williamson
