HEALTH & HAPPINESS.

DOCTOR W. WORSDELL, the inventor of the *celebrated Family Medicine*, WORSDELL'S VEGETABLE RESTORATIVE PILLS, has used no other medicine in his family during the past 15 years, and has twelve children living in the enjoyment of health. It has been his invariable practice whenever any of his family take cold, or feel unwell, to administer a dose of Pills, and repeat the same daily as often as the violence of the attack required to subdue it, which he always found to be attended with happy results. If parents were sufficiently impressed with the necessity of purging, and occasionally administering pure opening medicines to their children, general good health would be the consequence.

THE FOLLOWING TESTIMONIES *are further confirmation of their surprising efficacy.*—Mr. Henry Coburn, Easton, says that Worsdell's Pills are daily gaining a repution, as an *excellent Family Medicine.* All those who have tried them bear testimony to their extraordinary virtues. A gentleman stated to him a few days ago, that one of his children was taken with the chills and fever, and he administered Worsdell's Pills with success; the chills did not return, and the child got well.

BILIOUS FEVER.—Mr. Borns, who resides at Potts's mill, near Easton, was taken with a severe attack of Bilious Fever, she had recourse to Worsdell's Pills, and after taking several brisk doses was completely cured.

Doct. DUNBAR, Georgetown X Roads, Kent co. says that Worsdell's Pills are superior to any other for regulating the stomach and bowels, and their effects are not followed by constipation; he has witnessed their beneficial effects in several cases of disease. They were first introduced to his notice by a friend of his who was cured of the Ague and Fever by using *only three does.*

DYSPEPSIA.—Mrs. Baker, near Chestertown, had been afflicted with Dyspepsia a long time, and she states that she has derived more benefit from *Worsdell's* Pills than any other medicine.

Rheumatism.—A young woman in Cecilton, Cecil co. has been so seriously afflicted with the Rheumatism, that she was unable to walk for 12 months, and after taking several boxes of Worsdell's Pills, she is now so far recovered that she can walk with ease.

Messrs. T. A. & J. E. D. Turner, Merchants, Greensboro', Caroline co. in writing for an extra supply state that "Worsdell's Pills surpass *all others* in this section of the country, and the great demand for them is unprecedented."

The office of Worsdell's Pills is to go at once to the root of the disease, by purifying that vital principle of life,—*the Blood.* They preserve and improve the health and digestion, relieve the lungs; remove those obstructions in the bowels which so frequently produce headache, dissiness and dimness of sight; remove bile from the stomach, and dangerous oppression from the brain; produce serenity of mind, and, in short, give tone, energy, strength and elasticity to all the physical functions.

They do *not contain an atom of Mercury, Calomel, or any other deleterious drug*—may be taken without any regard to diet or confinement, and have been found so beneficial in almost all cases of disease which the human system is liable to, that they may justly be considered unequalled as an *universal Family Medicine*; being *purely vegetable*, the most delicate female may use them on occasional use of them materially beneficial to their general health.

Price 25 cts. a Box—containing 50 Pills.

HEMSLEY'S
WORM-DESTROYING SYRUP.

Prepared by R. F. Hemsley, Chemist and Pharmaceutist,—Easton, Md.

WHEN we consider the great number of children who die annually in our country by worms, it becomes important that the public should be in possession of some medicine for their removal, which will combine safety and efficiency in its employment. This desideratum is afforded by the "Worm-Destroying Syrup." It is not my wish, nor is it my design, to throw around this preparation the unmeaning and extravagant eulogiums with which such medicines are usually ushered into notice. I only desire for it a fair and judicious trial to secure its full approbation. The large and increasing sale of this article is the best proof of the value and estimation in which it is held by numerous and respectable families. The presence of worms may generally with readiness be detected by the following

SYMPTOMS:

Variable appetite, foul tongue, fetid breath, full, hard and tense belly; dull heavy expression of the countenance; a bluish streak under the eye; itching at the nose, puffiness of the upper lip; disordered and irregular bowels; starting and screaming in sleep; grinding of teeth; pain in the bowels, and frequently drowsiness or convulsions attended by slow fever.

RECOMMENDATIONS.

Being conversant with the general and successful employment of Mr. R. F. HEMSLEY'S "*Worm-Destroying Syrup,*" I cheerfully recommend it to the public as a valuable remedy for the expulsion of worms.

TRIST. THOMAS, M. D.

Easton, March 20th, 1844.

I concur in the above.

Easton, March 20. J. A. MUSE, M. D.

I have for the last two years used with complete success Mr. R. F. Hemsley's "*Worm-Destroying Syrup.*" Indeed I look upon it as a specific in those cases, and knowing its composition feel no hesitation in recommending it where worms exist.

WM. H. THOMAS, M. D.

Easton, March 25th, 1844.

Having examined Mr. R. F. Hemsley's "*Worm-Destroying Syrup,*" and being conversant with its general and successful employment in Easton and the vicinity, I take much pleasure in recommending it to the public as a safe and efficient remedy for the expulsion of worms from the alimentary canal. CHRIS. C. COX, M. D.

Easton, March 7th 1844.

There is no anthelmimthic preparation from the use of which I have seen better results than from Mr. R. F. Hemsley's *Worm-Destroying Syrup.* Having been fully acquainted with its composition I can confidently recommend it, not only as a vermifuge, but also as a gentle tonic, suitable in those cases of debility occurring in consequence of the presence of worms in the stomach and bowels.

A. M. WHITE, M. D

Easton, March 26, 1844.

From Dr. W. HEMSLEY.

Having prescribed the "Worm-Destroying Syrup" with success in my neighborhood, I can confidently recommend it as superior to any other preparation offered to the public.

I have tried in a desperate case of worms Mr. R. F. Hemsley's "*Worm-Destroying Syrup,*" and it proved immediately efficacious. This case had baffled the skill of physicians previously, and the disease must soon have killed the servant. I feel it my duty to give this certificate in favor of this valuable medicine.

FARMERS'
FOUNDRY.

THE SUBSCRIBERS grateful for the patronage heretofore received, beg leave respectfully to inform their friends and the public generally, that they now have on hand and are daily manufacturing the most approved

WHEAT MACHINES,

ever offered to the public on this Shore. Their superiority over other machines consists in *simplicity* and *strength*, which will enable us to *warrant* them with perfect safety. Notwithstanding there are numerous Machines used in this county, it is a well known fact that they are too liable to become injured and broken from trivial causes, arising from their complicated construction. The Machines we now offer to the public have been tested by a number of experienced Farmers both on the Western and Eastern Shore, and have invariably given general satisfaction.

They would also call the attention of the public to their extensive assortment of

PLOUGHS,
PLOUGH CASTINGS,
MILL CASTINGS, &c.

Their assortment of Ploughs embraces a great variety, viz:

WEAVER'S Self-Sharpener,	BEAST improved,
DAVIS,	BEVARD,
SINCLAIR & MOORE	COULTER,
CHEROWITH,	WILEY,
BEACH.	PATENT CYCLOIDAL Plough, &c.

The merits of most of the above Ploughs are already well known; but the Wiley and Patent Cycloidal have been recently introduced by us on this Shore as a valuable acquisition to the Farmer. The Patent Cycloidal, in 1842, took the first premium at the Agricultural Exhibition, near Govanstown, Baltimore county, Md., over numerous competitors, comprising some of the most celebrated Ploughs of Pennsylvania, New-York and Maryland. All our Ploughs are stocked of the best timber, and warranted to run well. We are also prepared to do

CASTINGS
AND
WROUGHT WORK

of every description at the shortest notice, and at City prices. We respectfully solicit the patronage of the public and invite them to an examination of our stock.

N. B.—Persons having machines to repair will please bring them in as early in the spring as possible, so as to give full time to do the work in a proper manner. H.&H.

STORMS AND FLOODS.

IF, during the continuance of Storms and Floods the channels of *OUR MIGHTY RIVERS* become so obstructed as to afford an insufficient outlet for the superabundant waters, we can expect nothing less than that the surrounding country will be *OVERWHELMED with the FLOOD.* In like manner with the human body—if the Skin, Kidneys and bowels (the natural outlets for USELESS and CORRUPT HUMORS) become so obstructed as to fail in affording a full discharge of those impurities which are in all cases *THE CAUSE OF SICKNESS*, we surely can expect no other results than that the whole frame will sooner or later be *OVERWHELMED WITH DISEASE.*

As in the first place, if we would prevent an inundation we must remove all obstructions, in order that there may be no hindrance to the free discharge of the superabundant waters, so, in the second place, if we would prevent and cure disease, we must open and keep open, all the Natural Drains of the body.

WRIGHT'S INDIAN VEGETABLE PILLS,

Of the North American College of Health, will be found one of the best, if not the very

BEST REMEDY IN THE WORLD

for carrying out this beautiful and simple theory; because they completely *Cleanse the Stomach and Bowels from all Bilious Humors*, and other impurity, and at the same time promote a healthy discharge from the Lungs, Skin and Kidneys; consequently, as all the Natural Drains are opened,

DISEASE
OF EVERY NAME IS LITERALLY
DRIVEN FROM THE BODY.

Letters received from gentlemen of the highest respectability, show conclusively that Wright's Indian Vegetable Pills are a most

VALUABLE MEDICINE,
