MY YOUNG STALLION
TANKERVILLE

WILL stand the ensuing season, commencing the 20th of March and ending the 20th of June at my stable; where he will be let to a limited number of mares at the low charge of fifteen dollars the season—to be paid on or before its close. Tankerville is four years old this spring, is a rich bay near fifteen and a half hands high, is possessed of great beauty, style and action, and gives promise of extraoroinary speed. He was sired by Morgan Black Hawk, now own by a company of gentlemen in this county, G. sire Hill's celebrated Black Hawk, of Vermont; G. G. sire Sherman Morgan, G. G. G. sire Justin Morgan. Morgan Black Hawk's dam was a very superior Messenger mare, Tankerville's dam is a mare of fine style, size and action, and is represented to me to be of the Hamiltonian stock and from New York. The services of the Company's horse Morgan Black Hawk can alsobe had at the same stand for a few mares; terms to be agreed upon but moderate. Fifty cents to the groom for the services of either horse. JAMES T. EARLE.

THE THOROUGH BRED HORSE

SKIPTON.

THIS well known and much admired Stallion will make a season commencing with date and ending the 20th of June ensuing, in Talbot and Queen Ann's counties. At Stevensville, on Kent Island, on Friday April the 13th and every alternate Friday thereafter.

REMARKS:—Skipton is seven years old this spring; 16 hands high, of faultless figure and excellent disposition; with a full chest and beautiful eye; and unequalled in symetery of form and good qualities by any horse in the State.—Works well in harness, and performs well in plough and cart; is a very sure foal getter and his colts do ample Justice to his stock. He is said to resemble his grand sire the celebrated horse John Richards, in almost every point. Skipton's colts will compare favorably with the colts of any horse that has ever traveled in the county—some of which are now three years old. For Pedigree see hand bills

TEEMS:—Ten dollars the season.—50 cents in each case to the groom.

New York, Sept. 3d, 1858.

I have analyzed a sample of Chesnut Grove Whiskey, received from Charles Wharton, Jr. of Philadelphia, and having carefully tested it, I am pleased to state that it is entirely free from poisonous substances. It is an unusually pure and fine flavored quality of whiskey.

JAMES R. CHILTON,
Analytical Ghemist.

Boston, March 7th, 1859.

I have made a chemical analysis of commercial samples of Chesnut Grove Whiskey, which proves to be free from the heavy Fusil Oils, and perfectly pure and unadulterated. The fine flavor of this whiskey is derived from the grain used in manufacturing it. Respectfully,

of land and can be conveniently divided into two farms, each extending to the county road. There is an abundance of good CHESNUT, WHITE OAK BLACK OAK LOCUST and CEDAR timber—more than a sufficiency for the use of the farm. There are two tenant houses on the land which rent for $60.00 a year.—The entire farm is enclosed by good and a portion by plank fencing. There is no waste land; the six fields are well watered and all of them lead to the barn, A portion of the land is in meadow, yielding abundance of grass for a large number of cattle. There is a

upon the farm embracing all kinds of select fruit.

The improvements consist of a two story FRAME DWELLING with wing attached, a BRICK MEAT HOUSE, ICE HOUSE, CARRIAGE HOUSE, WAGON HOUSE, POULTRY HOUSE and WORK SHOP—all in good repair and some as good as new. The barn is a two story building with stables and Corn House attached, lately built and of good materials. There is a well of excellent water—as good as any in the county.

A third of the grain will pay an annual rent of $600.00.

The owners only reason for offering this farm for sale is, that he wishes to change his business. Terms made easy and possession given immediately if desired.
