1773 JUNE 20 WALTER TOLLEY, [illegible] TO [illegible]

SIDE ONE

Annapolis 20th June 1773

Dear Sir

Reflecting on the Value you sett on your Servants, I am deterred from engaging in the Scheme I spoke of to you Indeed it so much exceeds the Price that I suppose you would ask for them; that it left none or very little Prospect of making any thing by the Purchase

I am Dr Sir
yr: Very Obl: Servant
