Dear Sir

I received your favor of the 20th and with Curtis's Bills inclosed, and am sorry he has not complied with his promise to me, he asked I shall loose no time in either going or sending down to him, I suspected he had not come up, and provided on Mr Read to go down, he has been gone two days. I shall wait this return, if he does not bring the money w.th him I shall immediately send down to him, your letter never came to hand untill late last Saturday or should have answered it sooner
