SIDE ONE

Kent County July 8th 1773

Dr Sir:

Rec'd yrs the 5th Inst & was much surprizd in finding Mr Sudler has not paid you the Money at the time I told you, he has treated me very Ill in this matter for wch my Char. to suffer, Mr Smyth did refuse settling at any other Exchange than it was at the time Mr S. Sudler lodged the Money in his & Mr E. S. hands as he said it was not a Comp.y affair but that it was a private transaction of Mr E. S. I spoke to Mr Sudler abt it wch surprizd him much he said that Mr Smyth should say that it was no Comp.y affair, but if Mr Smyth would not bear any loss in the Exchange he would pay it out of his own pocket & have the matter settled this he promised me I suppose 9 or 12 Months before I saw you last at town & I concluded he had done it until you wrote me the contrary, upon wch I immediately went to him - He said he had neglected it before but as you was then in Town he would pay you before you went away & that I need not be uneasy abt it any longer, in confidence of them promises I made not the least doubt but he would settled before you left Town & did not know to the Contrary until I recd yrs, since wch I went up to him again he made some trifling excuses that he had forgot it, but that I might depend on its being settled the 25th Inst as you write you will then be over, I shall be at town then in order to meet you & have the matter settled - I have paid the Order to Mr Page

I am Sir
Yr hble Servt
