1773 JULY 26 ROBERT ANDERSON TO JAMES CHESTON

SIDE ONE

Charlestown 26th July 1773

Mr James Cheston

Sir

When you last waited on me for Captn Thomas's money you told me my draught on Messrs Samuel Sami: Carman & Co was not honoured, at that time I gave you to understand that I would wait on you in Baltimore at harvest but business interfering has prevented me from going over, the present is only to acquaint you that the slow circulation of Cash puts it out of my power to settle that affair in cash immediately, however if it is agreeable to you I will ship 8 or 10 thousand weight of Tobacco in any of your Vessels to be sold for my acct and the Neat proceeds shall be ordered to be paid to Captn Thomas or in order for as much as his account is against.

Sir

Your hum: Servt

Robert Anderson
