Dear Sir Chester Town 3d Aug. 1773

I am obliged by your Favor of yesterday and upon considering further of the purchase of Messrs Ashburner & Places Brig; I think it most prudent to decline it at least for the present. — I wrote you by my Sloop which I sent for 45 Hdds of my Tob: and shall be glad to hear from you by her what is likely to be the price of your new Wheat and how Corn will show. — I am Yr most obed Serv.
