1773 AUG. 28 ROBERT BROWNE TO ?

SIDE ONE

Dear Sir

In Consequence of my Promise I now inform you the Price of Tob.° is under 15/- Cash, scarce any Purchase at that Price this Court. Mr Anderson has stoped from being out of Cash I really cannot say whether he wants to buy any more. I give 15/- half Cash & have taken some at 14/- Cash 15/- goods from what I can observe there is a great deal to Inspect yet & very little sold. Mollison gets a good deal on Consignment. Speirs & Co.° take Tob.° on Consignment from their Customers. I shall endeavour to borrow money to make you a Payment & in the mean time I will settle by Bond. I need say nothing of the Difficulty in Collecting however I intend fully to make you some Payment this Fall

I am Dr Sir
Your Mo: Obd.t Serv.t
Robert Browne
