1773 SEPT. 30 SMYTH & RINGGOLD TO

SIDE ONE

Dear Jim / These people gets but 740 Bushs of corn from Will Carmichael, & I have prevaild on them to go to the South East Branch for whats there, but do suppose they will make tedious Hand of it, as they have but six Cagger to collect with hope they will get all there as we shall have a Load elsewhere for our Schooner — Capt 1500 has come to 7. which is Ingaged & Several other parcells offers but cant engage till we here from you. Jemmy shall go in the Morning round & hurray them that the Schooner may have all the dispatch possible.

we do suppose it will be the last of the next week before our Schooner will be with you as they cannot get out the rest of the Corn till the next week

we are Yours &c
