Charles Town Oct the 21st 1773

Dear Sir

I received your Favr of the 14th Instant covering Shop Notes for the Goods you imported for me amty to £4.9.9 which are to your Credit and am obliged to you the other things I hope will come in the Isabella as they are most wanting I have not yet delivered your Letter to Mr Huley as I have not yet got from Hymen the Receipts which I gave him for the Money he paid me no can I charge my Memory with the Receipt of the Money you gave him Credit for in June but will have it settled soon pray remember to urge Rob about Anderson again. be pleased to forward the inclosed Letters by the first two different Opportunities that may offer to London & Bristol I missed the Elizabeth as I reckoned the Craft to Weaton was to have carried the last Hds for her Load. I shall write
