I have the honour to recommend to your Protection, the Bearer of this — Monsieur De Sigonier Capt.n in Col. Armands Regiment in the Continental Service, — who has been insulted in the most provoking manner By one Jeremiah Swain Hostler to the Deputy Quarter master in Baltimore. in Conse'quence of this accident this Gentleman has been Bound By the law and is — now prevented to Join the Army to the prejudice of his Character and that of publick Service which he can not attend, unless your Excellency will Relieve him. if you think the man may be properly — punished for an action which may equally affect other officers in such cases he would beg that satisfaction
