1773 NOV. 3 Thos Ringgold to ?

SIDE ONE

Dear Sir Chester Town 3d. Nov. 1773

I have yours respecting the Corn which Mr Kennedy was to have delivered & will pay the £95. to Mr. Smyth & Ringgold here, tho' I think myself ill used. I have mentioned the Matter to Mr. James Nicholson who will deliver you this & seems to evade a redress to me 'till he speaks to his partner Mr. Kennedy — You will say to him the necessary if he speaks to you. — I find that Circumstances are so altered with me I shall have some Wheat to spare here after loading the two Ships now Hand & I shall be much obliged if you'll enquire how much may be had with you & I will order one of the Craft that you were so kind as to forward to proceed directly to Baltimore Town if I like the Price & other Circumstances should correspond. — If you could write me by the Boat that brings this you would particularly oblige

Yr obed Serv.

Thos Ringgold

Just parted from Mr. Hugh Wallis &c of N York after dinner on Division Day & not in very good time for writing
