Dear Sir

I received yours of the 1st Instant by Mr Ruley and am obliged to you for making my Insurance I received yesterday Morning a Letter from Capt. Tillitt dated the 5th of Oct. at St. Eustatia and he then could not tell when he should leave that place as the Surfe ran so high that he could take nothing off he proposed going to Turks Island for Salt but that was uncertain and might perhaps call at some other Island to buy Rum so that if Insurance was not made before this reaches you it might be made from St Eustatia and from thence to 2 other Islands thence and are in haste Dr Sir your most obliged Hble Servt
