Dear Sir Chester Town 1st Decr. 1773

I thank you for forwarding the Cheese & Butter which is come to hand. I have been looking out for a safe Opportunity to send your Cask but none has occurred. Mr. Carmichael will be over towards Sunday next and will bring it. I shall be glad if you get a Charter for your Ships I believe it will be the best thing you can do with her at present. The Inspection Law having passed we can go regularly to work the next Year and I shall be pleased in a large dealing with you in the Tobacco Way if it can be done with mutual Advantage to you &c
