POST CARD

FOR CORRESPONDENCE

Your Easter card and note
came safely yesterday, and
I am ever so much obliged.
I am getting more and more in
love with out door sleeping &
spending part of my days out of
doors even in bed. I forgot to tell
Dr. Scarborough dress my dressing to-
day he will let me get up in a wheel
chair. The weather is lovely and
spring like and I do hope it will
last until I get out of here.
With kindest regards to Jamie
and a big love to you I am as ever
Dorothy.
