1774 April 6 Thos Ringgold to ?

SIDE ONE

Dear Sir Chester Town 6th April 1774

I send you by Captain Thomas £50. and request you'll excuse my omitting to give it you when here. I told you Mr Wayson should bring it to Mr Geddes's and on returning home my preparation for the Ride to Lewis put it out of my Head till I had got some Distance on the Road. — You have again omitted to send the Hhd Tob. by Messrs Smyth & Ringgold's Sloop. Please have it put by next Opportunity that I may take the necessary Steps to recover the Value of it from the Inspector. —

I am Dear Sir

Yr. most obed. humble Serv.

Thos Ringgold

I got the Clover Seed safe. I suppose you have its Amt. included in the Sum sent. — tho' I cannot say with certainty as I have not the Cost of the last Bread.
