1774 Sept. 25 Thomas Ringgold to ?

SIDE ONE

Dear Sir Chester Town 25th Sept. 1774

I have yours of the 23d and am much obliged by your Opinion respecting Tobacco. I shall be influenced by it & shall I doubt not be protected.

You quote Bills D 168 7/. If they are to be had at that to amount of about £600 Sterling I shall be glad to know by the first safe conveyance and I shall be obliged by your Opinion how they will govern. I have determined to carry Mr Ringgold to Philadelphia and you will please tell Doctor Baker that we shall for that reason be glad to see him soon as he possibly can.

The Scene seems to thicken to the northward I wish they may not come to blows with the Soldiery. Indeed I fear our peaceful Days in America throughout are over but I always am Dear Sir Yr. very hum Serv.

Thos. Ringgold
