City Commissioner's Office, Baltimore 27th June 1838. - I hereby certify that the following named persons, viz: William Inloes, I. S. Inloes Godfrey Meyer, James Hooper A. B. Harrison, George Chapman and I. L. Chapman have paid the amount charged them respectively, for filling up a square of ground, situated between Caroline and Canal streets and Ohio Anna and Lancaster streets. - By order, R. B. Warden, Clk. C. C.

The defendants then further to prove the issue on their part, offered evidence by — Graves, that he has resided 47 or 48 years on Fells Point, and has that long known the property now in dispute; that William Inloes's fence was put down in 1807 or 1808; and continued, he thinks, 9 or 10 years; that it began at about the middle of Caroline Street and went westerly, he owned not say as far as Spring Street; that a great deal of wash at that time came down Caroline Street; that the wash went against the the fence of Inloes aforesaid, and was turned by it westerly of the fence; that the wash southerly of Fleet Street spread, the ground being flat; that the fence was made for filling up, and that was known in the neighbourhood, and that it had the effect of filling up by catching the sediment as it came down; that persons looking could see the fence from Wilkes Street; that he cannot say it was standing when the City began filling up; that the fence was of inch board, nailed to the log; that persons owning the ground on Bond Street claimed water right and that therefore Inloes ran out; that he knew Joshua Inloes;
