1774 Oct. 17 JOHN PAGE TO JAMES CHESTON

MS.1994.

SIDE ONE

Dear Sir. [illegible]nfreah Octr. 17th. 1774

I was at Church Yesterday and there I saw Shubrys & McCombs Advertisements allowg 6/ ℔ Bs. for Wheat, was also told that Anderson allow'd the same. The Farmers as Usual seems to begin to raise their expectations too, so that they still incline to wait a little longer. I heartily wish the Price was settled so as to do business in the Wheat way again, don't like for my Sloop to be lying idle——

I Inclosed you a sett of exchange on Hanberys & Lloyd, some time ago, I don't remember wether you have made any mention of the Receiveing it. I hope the letter has not Miscarried. am just goeing to open my Goods & am with my Compliments to your Brother——

Dr. Sir Yours Very Obedient

J. Page

N.B. please let me know at what advance the Merchants with you are selling their Goods at, we have old sets in New Town, Shubry its say'd has raised his very much, I hardly know what to do at——
