1774 NOV. 22 DAVID SPROAT TO [illegible] GREGORY

SIDE ONE

Dr Sir

Philad.a 22d Nov.r 1774

Since your Brother left us, I have not been able to sell a Bill — the reason is plainly this — that just a few days before he came up, a Vessell sailed for Liverpool — and I supose (as Bills were plenty at Market) carried the whole dry-good Collection with her — The Bill buyers are therefore drained for the present — and pretend to stand off, in expectation of Exchange falling — I shall do my best for you — in mean time limit your Exch.a as it is realy falling, Rest I think will not be very low
