1774 NOV. 26 WILL[IAM] McCracken to James Clinton

SIDE TWO

on Board
thing as well as I expected the ship is much lighter than
she was at Baltimore I have good hopes of her continuing
so she steers well in deep water and they say I suppose
to please me that she goes prodigiously fast I shall I hope
soon be convinced of all this several ship having
lately gone up the Bay makes me hope Capt Thomas
is now with you pray put the following Gentlemen
in remembrance of my real esteem and sincere
regard for them Sterhouse Mathie Chalmers Craig
Gray and your Brother give my compts to others
who ask after me may you have as good health and success
in your business as I wish you which as times go
you ought to be satisfied with as they will be the means
of putting it in your power of leaving Baltimore
with pleasure some time the ensuing Summer I shall hope
to have a few lines from you at the King & Queen Coffeehouse
two or three months hence that you may always be as happy
as this world can make you if the sincere wish of
Your obt Servant
