2774 Nov. 28 JOHN CHAPPLE TO [JAMES CHESTER]

SIDE ONE

Queen Anns Co. 28 Nov. 1774

Sir

When your Servants Arrive you will please to chuse a Weaver for me, a man who can Weave both Woolen & Linnen, but certainly can weave Woolen well; especially the coarser sorts of Kiseys or Serge, as the weaving Linnen is much easier aquired than the other, I had rather have one about 35 or 40 yrs of age than younger if of a healthy look & tolerable Countenance, I the rather hope for your doing as well as you can for me this time, as I did so Servilly for my self last spring — If Captn Thomas Brings any good Cheese, will you be so kind to send me one by the Queen town Packett with the Weaver & send another on my Acct. to Salley at Swan harbour,

I take the Liberty to Enclose a Letter to Mr B. Nicholson which request you to forwd. to him, I hope he will have the Grace to pay the order to you, if he should make bold to offer it pray think of the interest from the date to the time of payment, I have nothing to offer you for giving you all this trouble but the thanks of an Algerine who is

Sir yrs obliged Hble Servt.
John Chapple

be so good to inform me if Wm: Nicholson Signed his acceptance of the order
