1774 Dec. 12 William Ringgold Jr. to James Chisholm

SIDE ONE

Shock Hall Decr. 12th 1774

Dr. Sir/ If it is not inconvenient to you I should be much obliged if you would send me a tub of butter of about 60lb. weight, I should not have given the trouble, but am informed by Mr. Page that you often are under a necessity of taking butter in your dealing with the waggoners, and think I stand a better chance to have it good from you than to trust to the boatmen I will leave the money for you with Mr. Hodges who will pay you the first time you come over

I am Sir Yr. Mo: obt. Servt.

William Ringgold Jun
