1775 Nov. 15 Thomas Ringgold to Samuel Galloway

SIDE TWO

I find a Coachman cannot be had in Philad.a
& I cannot perform my Journey without one.
Please be so kind as to look out for Clarke
a Man who used to drive Col.o R. Lloyd Carriage
& once drove Mr. Galloway to Phil.a immediately
on receit of this & send him over to make terms
with me by the Job or Year ~~& to make them~~
with him on the easiest Terms you can. —
He may be engaged with promises of a settled
Countenance & Business if he behaves well. If
Clarke is not to be had please endeavor to
get Peter who waited upon you whilst Thomas
was sick. Perhaps he might be engaged by the
Job. — If neither of these can be had I think
Mr. Ardout or Mr. Ogle has a Negroe of Mrs.
Ogles to hire or Sell & I would do either as
I liked after the Journey. — Let you get who
you will they must come over immediately as
they ought to be here to to be giving my Horses
a little Exercise & assist in getting every thing
in Order for so long a Journey. ——
