1780 JULY 20 JOSHUA CONNOR TO JAMES CHESTON

SIDE ONE

Nantes 3 June 1780

Mr James Cheston

(Copy) P. the Dove. West River Sir

The foregoing is a Copy of my last which now confirm. I was in hopes that Mr Randolph would have paid your draft before this & time enough for me to have sent you the amount in such things as you was pleased to order by this opportunity but he has not done it should he alter his sentiments & still do it you may depend on my punctual Compliance. The Price of Tobacco rests pretty nearly in the same state as it did when I wrote you last should any farther alteration take place you may rely on hearing from me in the meantime I am most respectfully Sir

Your Obed.t Hble Servant
