Pray if you can procure some franks to yourself. it will save some pence in Double postage - tell Dan to send me a note to his member - by the by - I have not forgot what passed between us about Dan & the Cart, have not said any thing yet. shall wait a little. for good reasons - Mr W B has some thoughts in the Spring of standing for a Director. if he succeeds I know it might be in his power to serve many Friends - in that case, I will be in hime not to have all his Interest Engaged - he is a particular man - I shall sound Distantly, & wait till Occasion may serve - dont say any thing to him. that there may be no Disapointment - or let it Interfere with any thing else. should anything Eligible occur - but you can best advise him in all things. so God bless you -

Miss B desires her Compliments - pray let me hear from you
