1782 DEC. 25 JOHN BALDWIN TO JAMES CHISTON

SIDE ONE

12

Dear Sir

your favour with my people &c came safe to hand — from your Account of hogs (suppose the pig from my Uncles is come) there ought to be 11 in all — my Overseer writes me there is 9 hogs come over — but he may be mistaken as he is a stupid fellow — I was very happy to find Phil was come as I was fearfull from your Letter the Gentleman meant to give me some trouble — I am much obliged to you for the trouble you have in this matter & in hopes the old horses &c has sold well — I have purchased some Corn & 167 Planks which is the price I shall charge you — I shall be glad to know whether you saw Mr Nicholson and whether there is any probable of getting the books — as I must take some steps about that debt shortly — my Uncle writes me Hopper Francis fair; I am apprehensive that is all
