1783 JUNE 28 JOHN GALLOWAY TO [illegible]

SIDE TWO

I write to see her brother Mr Richard Earle
who has lost his Daughter Mrs Windsman
— I am very busy a harvesting have not time
to write Polly — just setting off for Town — I am
almost tired of keeping house by myself. want
to see Polly at home. but if it is agreeable to
her and convenient to you I would have her
take another week more than she intended
for I could wish she should
have her fill — The man who had Godet=
=frey has return him in such indifferent
order. I wish Craigs may not think him too
thin to go into training — shall get him up again
as fast as possible — with my love to all friends
Dear Sir I am Your Sincerely
