If you love me as I love you
No Knife will cut our love in two

The rose is red
The violet is blew
The pink is pretty
And so be you

Remember me when this you see
Although you see me not
Let others say what they may
Dont let me be forgot

When far away in test and climes
Think of him who wrote this lines

Remember well and bear in mind
A faithfull friend is hard to find
But when you find one good and true
Change not an old one for an new
