1785 MARCH 12 A. Bentley to Cornelia Randolph

SIDE TWO

it is a very long time since I have heard
from you, I fear we have lost some letters
this will be the fourth time I have wrote
since I came to Town — I am particularly
anxious as Daniel last was very dispiriting
but I am not yet tired of hoping all will
get on well — We have been much disap-
~~pointed~~ at being obliged to send back your
bill on Randolph — Mr B wrote in such
a hurry he did not tell you that the
reason he did not according to form
have the bill protested, was to avoid any
expence to you — which he thought was
not at all necessary — as it was a transaction
between Mr Galloway & you — —
With the ~~[illegible]~~ things I sent the papers &
reviews, the few to this time shall
accompany this — My best love to Mrs C.
& the dear Children — believe me
Your Brother Your
Affectionate Sister
