Dear Sir

I wrote you two days ago par=
ticularly about Andersons Land. and sent the
Letter to Rock Hall, but as I have a direct op=
=portunity to Annapolis by Mr Richd Tilghmans
young man. I think it as well to say that the
Andersons terms for his land is £150. for his right
to the 225 Acres and £4. ₰ Acre for the 22½
Acres clear of dispute — if you are obliged to
give Preum £4 ₰ Acre for his right. the land will
stand you in about £4..12..6 ₰ Acre which I would
recommend to you to do rather than miss the pur=
=chase — We are all well am in hopes the
Schooner Came on Monday in Haste

Yours Sincerely
John Galloway
