SIDE ONE

Dear Sir

Your two favours from Annapolis of the 12th Instant came to hand to day — I wrote you on yesterday very fully which letter ~~I~~ went this day by Hodges boat to West River with my pork — I mentioned to you what when the terms of Downeys pur=chase from the Doctor for the land who mentioned them to me himself without my saying any thing to him on the subject. I believe there is no conditional but an absolute bargain — Doctor Anderson has made an application to my mouth which will very quickly remove the present complaint, still we are uncertain as to the nature of it. some appearances makes us ap=prehend it is of the old kind, but for the present time will be a temporary relief which will prevent my croping the Cray: have to day taken the bark to remove my fevers and I continue well think of having home on Sunday next for Eastern Neck and shall bring Mary Stevenson with me — I shall be at a loss to know where to carry her too in Annapolis — Polly
