1786 Aug 3 William Tilghman to James Chester

SIDE TWO

'Tis much but some of his creditors suffer —

I have taken Mr. Hyson's (Co. Hall's order) note to you for £39. 19. 10. current money, payable with interest on 1st Nov. next. This includes the balance on two accounts. There is besides an account for a Servant, which Mr. Hands gave me by your order — This Mr. Hyson could not settle for want of a proper probate. When you come, we must endeavour to produce such a certificate as will justify her in discharging it.

I am, with affectionate wishes for your Honour, Dear Sir

Your ob.t Serv.t

William Tilghman
