President of 2nd Branch.

Resolved by the Mayor and City Council of Baltimore. That the City Commissioner be and he is hereby authorized and directed to advertise immediately in two or more of the daily newspapers of the City of Baltimore for such period of time as he may judge necessary for proposals for building a new Jail on the site or lot on which the old jail now stands, said new Jail to be built according to the plan and specifications submitted by Thomas and J. W. Dixon to the committee of Police and Jail of the City Council of 1855 and now on file in the office of the City Register, with such alterations as may be necessary to enlarge the cells, improve the ventilation, provide accommodations in said Jail, or contiguous thereto for the use of the warden, in the event of the City Commissioner deeming such alterations or improvements advisable, and the said Commissioner is hereby empowered and required with the consent of the Mayor to contract in the manner and form contracts are usually made for the erection of buildings for the use of the city, with some one or more of the bidders for the building of said new Jail, and it shall be the duty of said Commissioner to superintend the construction of the buildings, or employ a competent person for the purpose, and cause the work to be done in strict conformity to the plan and specifications agreed upon
