front foot ordered, three cents.

For a distance as above, exceeding four squares, for every front foot ordered, two cents.

And the City Surveyor shall render, under, oath, to the City Council, at its annual session, an accurate account of all money and compensation received by him under the provisions of this ordinance, in the discharge of his official duties.

Sec. 6. And be it enacted and ordained, That there shall be provided for the use of the City Surveyor, an office, which shall be known and designated as the "City Surveyor's Office"; and that the said City Surveyor shall be required to have all memoranda, field notes, and plats taken and made by virtue of this ordinance, and such as may be committed to his charge by any of the city officers, carefully filed and preserved in said office for the use of the city, whose property they are hereby declared to be; and it shall be the duty of the City Surveyor to report semi-annually, (in January and July,) to the Mayor, what field notes, (so termed,) and plats are in his possession belonging to the city. He shall also keep in his office, a record of all the establishments made by him, under the direction of the City Commissioner.

Sec. 7. And be it enacted and ordained, That all records, memoranda plats and field notes herein mentioned, shall at all times be subject to the inspection and examination of the Mayor, the members of the City Council, the City Commissioner, Commissioners for opening streets, City Counsellor, Comptroller, and the Register of the city; but every other person, after the expiration of twelve months from the time of the deposit of any record, memoranda, or plats in
