Mr James Chester
Chester Town

Dear Sir

On coming to Town I found the County Court sitting - Have seen Gafaway Rawlings, who tells me his mother & Mrs Harwoods depositions have been taking - he says he does not believe the Woman from whom these Negroes who claim their freedom descended was actually a Slave; imported in a Guinea Ship & sold in the Swamp - that their Witness is a man of bad character, & ~~that~~ he has heard that Duvall has not much expectation of succeeding & Mr Coke who is the Lawyer on the other side told me he did not believe they would get Leave then
