NAME AND ADDRESS HERE

GILBERT'S STUDIO, FROSTBURG, MD.

Dear Friend: There is a
convenience from Frostburg.
You can see the most
beautiful scenery from this
rock. You will notice one
of the girls names that was
with us to your home
written on the rock.
Are you having very much
snow in Germany? It looks as
if it will lay till 4th of July
it is piled so high around
here.
